**Please complete all of the requested information before returning your measurements**

Please go to a local tuxedo shop and ask for "Out of Town Measurements". Some shops may charge a minimal fee for this service. Don't worry, it's worth it! The better the measurements, the better your tuxedo will fit. Also, do make certain that your height and weight are accurate. Once the form is completed 100% you may provide us your measurements by email, phone or fax. If you or the person measuring you has any questions please don't hesitate to give us a call. Thank you!
